Berlin is inviting

Formula E at the Spree

Formula E will be back in Berlin in 2019! And once again provides motor racing fans with an electrifying motor-sport experience. Anyone who has been at the last races knows that Berlin is the place to be. Because the city has a lot to offer:

- International audience
- Cosmopolitan atmosphere
- Cultural diversity
- A trendy and unique club scene
- Germany's center for politics, art and culture

Berlin E-Prix

Gen2 cars – a new era

Formula E is the fastest developing motorsport series worldwide. New cars, new teams, new drivers, higher speed, longer battery duration:

- 11 top class teams with 22 cars
- 22 world class drivers including national heroes Daniel Abt, Andre Lotterer and Pascal Wehrlein as well as ex-Formula 1 driver Felipe Massa
- Exciting city circuits in 12 great locations on 5 continents
- New supporting racing series Jaguar I-PACE eTROPHY

The new Gen2 vehicles represent a quantum leap in the development of batteries and engines.

- No longer the need for a car change during the race
- New batteries supplied by McLaren
- 250kw (340PS)
- In 2,8 seconds from 0 to 100kmh
