## Formula E in the eternal city

Formula E returns to the 2.84 km Circuito Cittadino dell'EUR for the second time in the series history. Once again it will provide motor racing fans with an electrifying motorsport experience. Anyone who has been at the last race knows Rome is the place to be. Because the city has a lot to offer:

- Its historic centre is listed by UNESCO as a World Heritage Site and is home of the most iconic buildings in the world – Colosseum, Vatican and the thousand churches
- A trendy and unique club scene
- World famous culinary delights and birthplace of the pasta sauces Amatriciana & Carbonara
- Italy's capital and centre for politics

Gen2 cars – a new era

HA INIZIO LA SFIDA

Formula E is the fastest developing motorsport series worldwide. New cars, new teams, new drivers, higher speed, longer battery duration:

- 11 top class teams with 22 cars
- 22 world class drivers including Daniel Abt, Jean-Eric Vergne as well as ex-Formula 1 driver Felipe Massa
- Exciting city circuits in 12 great locations on 5 continents
- New supporting racing series Jaguar I-PACE eTROPHY

The new Gen2 vehicles represent a quantum leap in the development of batteries and engines.

- No longer the need for a car change during the race
- New batteries supplied by McLaren
- 250kw (340PS)
- In 2,8 seconds from 0 to 100kmh

Experience an electrifying excitement – book your eLounge tickets now!

## EUR -The race circuit

Formula E returns to the Circuito Cittadino dell'EUR for the second time in the series history.

The circuit is one of the longest courses employed by the all-electric racers. Where over 50.000 visitors followed the Rome E-Prix live in 2018. The race begins on the Via Cristoforo Colombo, the longest district road in Italy, passing the landmarks Rome Convention Centre and the Obelisco di Marconi, a marble-concrete structure built as part of the city's hosting of the 1960 Olympic Games.

- Circuit lengths 2.84km | 1.77 miles
- 21 corners
- Formula E race duration: 45 min plus 1 lap
- 2 practice sessions à 45 minutes and 30 minutes
- 1 qualifying session a 60 minutes
- Fastest lap 2018 - 1:37.910 on lap 30, Daniel Abt, Audi Sport ABT Schaeffler
- Daniel Abt - winner of the 2018 CBMM Niobium Rome E-Prix Presented by Mercedes EQ

Guests can experience an action packed race from the eLounge Grandstand – situated 150m from the from the hospitality facility
